

Friends,

I know I keep saying this, but Praise God for yesterday's worship! Pastor Mike shared a wonderful and meaningful word, I encourage you to check it out on Facebook if you haven't already.

Below is a look at this weeks activities. I hope you will join us!

Remember - Voting ends this week. You can stop by the church (Monday-Thursday, 9am-2pm), call Belinda (828.926.8036) or email (belinda@maggieumc.org) to receive a ballot or vote.

I heard from a few of you that there is some confusion over what the vote means. As a quick reminder:

- Voting "Yes" means you wish to remain in the disaffiliation process. Voting "No" means you wish to remain part of the United Methodist Church.
- This vote is to get your input in the process. This is NOT the vote to formally disaffiliate. If this poll comes back with 50% or more wanting to continue the process, we will likely move towards a formal and official vote in the fall. For now, this is to help guide the leadership of the church for our next steps.
- Voting will end on March 17th. After the board discusses the results on March 21st, we anticipate sharing the next steps with you on Sunday, March 26th.

Please know that I am praying for you, always. I hope you are finding God in meaningful ways during this season of Lent. I pray you are connecting deeply and intentionally with others. I hope you are on the way to the Cross.

Grace & Peace,

Pastor Cole
